# Memories . . .

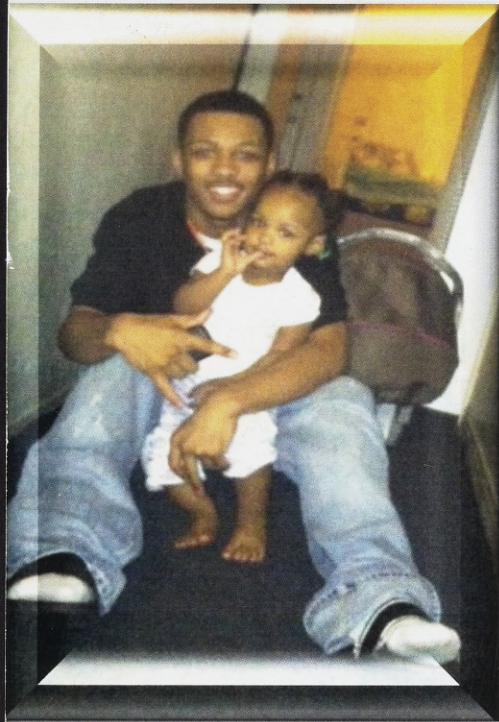

Dear Mom

Even though I haven't been the best son in the world I still love you more than anything. The stuff I've done to put myself in jail or bad situations has nothing to do with the way you've raised me. I have always had my own head and plan for my actions, consequences and all. I always wanted to grow up and give you everything you wanted, I guess I just went about it the wrong way. You've given me more than anyone else in this world and I thank you for being the best mother you could be. To see you smile and proud of me was one of my main goals in life, but to see you cry was the number one thing in life that I never wanted to do.

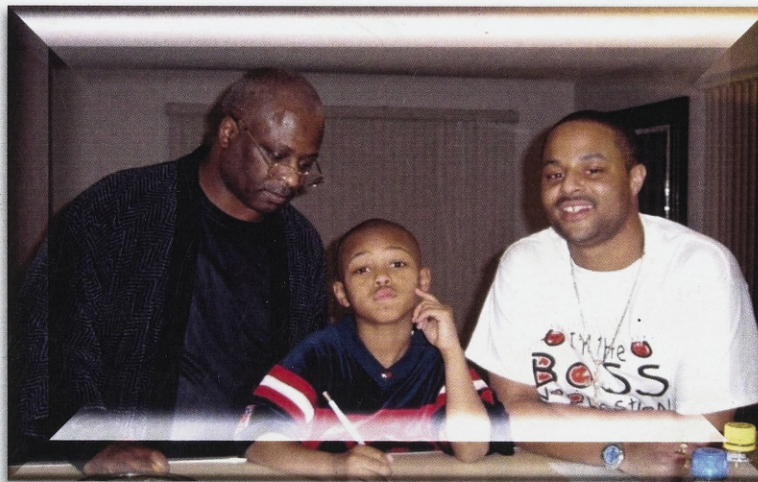

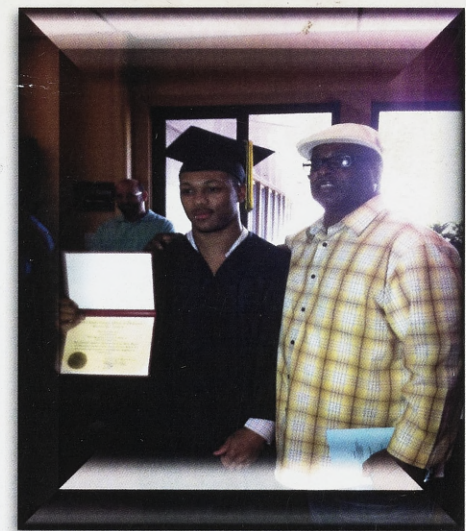

Love Always, Your son  
Trevon

*Real  
Love!*

Those we love  
remain with us for  
love itself lives on,  
and cherished  
memories never  
fade because a  
loved one's gone.  
Those we love can  
never be more than  
a thought apart,  
for as long as there  
is memory, Trevon  
will live on in our  
hearts.  
Rest Easy Tre . . .

*Tre Tre!*
